

# Support vets, Nixle and our Bobcats

## Hampton Hall reaches out to all veterans

I know that Veterans Day is a week away from when you are reading this, but I wanted to spread the word about an annual event that is taking place to honor all veterans. The Hampton Hall Golf Club, in conjunction with Toll Brothers, America's Luxury Home Builder, and other local courses, are teaming up for the fourth annual Military Veterans Golf Week, November 8-12.

Active duty, retired military personnel and disabled veterans are cordially invited for a complimentary round of golf (cart fee charge) on the Pete Dye signature course at Hampton Hall, as well as on the Dolphin Head course and other select area courses. Last year more than 200 military personnel participated in this wonderful event. Space is limited and only 300 rounds are available, so please call 815-8720 between 9 a.m. and 6 p.m., Tuesday through Sunday to book a tee time.

Thank you to those who have worked tirelessly over the past year to make this event another success.

## Nixle is in Bluffton

To continue the ability to keep our citizens updated, the Bluffton Police Department has teamed up with Nixle.

Nixle is a nonprofit company that provides communication services to local, county and state law enforcement agencies for free. The service allows law enforcement to rapidly dispense information to the community directly through text messaging and e-mails, relating to public safety announcements, press releases, wanted person posters, traffic issues, emergency notices and lost or missing child alerts. It's easy to register and use.

Just log onto our website at [www.blufftonpolice.com](http://www.blufftonpolice.com) and click on Nixle. To start receiving e-mails, you will need to fill out a username, password, full name and e-mail address and you will immediately start receiving news and press releases from the Bluffton Police Department. If you want to receive text messages (standard text message rates apply for subscribers who do not have text plans with their cell phone providers) along with your e-mail messages, you will need to provide the cell phone number you would like your messages sent to. You can deactivate your account at any time.

I can't stress enough how important this is for you to be a part of. It is easy and there is no cost to you. Even if you are out of town or a part-time resident, you can receive messages about the events that are going on in your community.

## Bluffton football continues

On a final note, please remember the first playoff game for lower state is this Friday at 7:30 p.m. This has been a record breaking year for this group of young men and dedicated coaches, so come out and show your support. It is the best 2 ½ hours you will spend on a Friday night. Go Bobcats.

If you ever have questions about our wonderful town, don't hesitate to contact Town Hall at 706-4500 or e-mail me at [lsulka@townofbluffton.com](mailto:lsulka@townofbluffton.com).
